

Proper nutrition is crucial for a successful recovery after surgery.

Your surgeon recommends **ENROUTE®**, a **4-week program** that provides science-backed nutrition for surgical recovery.

**Maintains
Muscle Mass**

**Supports
Bone Health**

**Enhances
Immune Function**

**Promotes
Wound Healing**

Designed for Orthopaedic Surgery

Most store-bought protein drinks lack key ingredients in sufficient amounts to support muscle recovery.

ENROUTE® is created by nutrition experts to help support a rapid recovery.

Available only through your surgeon

Access to dietitians

Delicious flavor options

"I was pleasantly surprised by the great taste. Unlike other supplements I have tried, these drinks were genuinely enjoyable. I noticed a significant boost in my energy levels."

Shirley F. | Knee Surgery

ENROUTE®

Complete Surgical Nutrition Program

"This is the best protein supplement I've had. I prefer it to other shakes since it has much less sugar with all of the good effects."

Elaine M. | Hip Replacement
